Introduction

Purpose of the Document:

To maintain consistency in representing Tranquil Peeplz's identity across all platforms and materials.

Brand Vision:

To be the world's most trusted enabler for people and business transformation 4 creating possibilities that empower 10,000+ businesses and 1 million individuals by 2030.

Brand Mission:

Simplify people management | Deliver purpose-driven PEOPLE solutions | Enable faster hiring with speed
| Precision & impact

Target Audience:

Organizations, HR leaders, consultants, and institutions seeking innovative, people-centric collaboration and empowerment solutions.

Primary Logo / Brand Message

Logo Icon

Logo Type

The Tranquil Peeplz logo, with its bold geometric “T,” symbolizes clarity, collaboration, and forward vision. A hidden door in the negative space reflects openness, opportunity, and transformation. Sharp lines convey precision, while vibrant orange radiates energy and optimism. Paired with the tagline “Creating Possibilities,” the design embodies the brand’s mission to empower people and organizations through innovative, people-centric solutions.

Alternative Logos

Mono Logo on Darker Colour Background

Logo on White or Lighter Colour Background

Mono Logo on White Background

Logo on Dark Background

Alternative 'T' Logos

Explore variations of the “**T**” by integrating imagery within the logo to enrich storytelling and visual impact. Such adaptations can add depth and flexibility while maintaining brand recognition.

People-Centric Visuals

Prioritize the use of people-focused imagery across brand communications. Showcasing diverse individuals and communities strengthens emotional connection, reinforces inclusivity, and highlights Tranquil PeepLz’s mission of collaboration, empowerment, and creating possibilities.

Clear Space

Ensure a minimum margin equivalent to the height of the “ Z ” around the logo.

Do's and Don'ts

- **Do:** Use the official color palette and proportions.
- **Don't:** Distort, change colors, or add effects to the logo.

Color Palette

Orange is at the heart of our brand identity
Introducing 'Tranquil Orange', a signature element that embodies
our vibrant and dynamic essence.

Primary color

Secondary color

Tertiary colors

Typography

We use the **Chantilly font family**, a perfect balance of approachability and structure, ensuring clarity and elegance in every application.

Imagery and Graphics

Photography Style:

- Use high-quality, professional images showcasing Tranquil Peeplz in authentic, real-world contexts.
- Favor clean, minimal environments to emphasize people and experiences.
- Feature Indian models to ensure relatability and cultural resonance; avoid foreign or non-contextual representations.
- Highlight diverse individuals and groups to reinforce inclusivity, collaboration, and the brand's human-centered mission of "Creating Possibilities."

Image Usage Guidelines:

- Avoid using low-resolution or overly edited images.

Imagery and Graphics

Graphic Elements:

- A rhythmic grid of geometric “T” forms, where the negative space reveals invisible doors of opportunity.

Voice and Tone

Brand Voice:

- Confident, empathetic, and people-centric.
- Professional yet approachable, always focused on empowerment and collaboration.

Messaging Guidelines:

- Highlight inclusivity, transformation, and human connection in all communications.
- Emphasize openness, opportunity, and the brand's mission of "Creating Possibilities."

Examples:

"Tranquil Peeplz: Opening invisible doors to collaboration, creativity, and human potential."

Applications

Print Materials:

- Brochures and catalogs with a clean layout, using the brand colors and fonts.

Applications

Digital Presence:

- Social media posts, and email templates featuring product highlights.

Brand Usage Policy

Approvals Process:

- All materials must be reviewed by the Tranquil marketing team.
